ABOUT THE EXHIBITION INTERIOR EXPO KYRGYZSTAN

A unique platform where you will find inspiration, discover new horizons for professional development, make valuable connections and meet like-minded people!

EXHIBITORS

Leading manufacturers and suppliers of interior and decorative items, including both popular brands and young art workshops. You will see unique custom pieces and custom elements that will emphasize the individuality of your space.

INTERIOR EXHIBITION VISITORS

Specialists and enthusiasts in design, architecture and decor including:

Interior designers and architects looking for the latest trends and innovative solutions for their projects.

Repair and construction companies interested in updating their assortment and expanding partnerships.

Art curators and gallery owners interested in unique and creative elements for their collections.

Suppliers and retailers looking to make business contacts and learn about new products and technologies.

Consumers looking for inspiration and unique elements to design their living and work spaces.

These people gather at the show to discover new products, exchange ideas and create partnerships that will help them in their professional endeavors and personal projects.

FIGURES AND FACTS ABOUT KYRGYZSTAN

Kyrgyzstan is nestled in the heart of Central Asia, between high mountains and picturesque lakes, creating a unique place full of beauty and nature. In the Kyrgyz Republic, interiors and exteriors often reflect the rich culture and traditions of the country. The interior design market in Kyrgyzstan is actively developing, with a growing interest in modern design solutions.
